Contract Manufacturing

Nordmann Nutrition is a UK-based service provider of manufacturing and contract packaging. From European and Asia manufacturing sites Nordmann supplies specialised formulations from stock and fulfill made-to-bespoke requirements.

Our manufacturing formats include:

Solid tablets – coated and uncoated	Plant-based vegetarian capsules
Chewable tablets	Effervescent tablets
Softgel capsules	Adult and children's gummies
Hard gel capsules	Liquids

Contract Packing

Our packing sites offer a contract packing and private-label delivery service.

With dedicated semi-automatic and fully automated facilities, we are able to deliver short runs through to full-scale production. We specialise in providing:

Bottles/tubs/pot filling (glass or plastic)	Sachet filling
Blister pack PVC/PVDC	Effervescent tube filling
Carton packing	Overstickering/rework service
Stick packs	Hand assembly

Private Label Products

Our private-label service allows you to create a variety of products, in all forms and across all categories. You have full control of the branding throughout the manufacturing process.

We supply bulk

The following products are available from stock:

Softgel Capsules	Hard Capsules
Vegetarian Softgel Capsules	Nutritional Gummies
Tablets	Pet Nutrition
Empty Capsules	Sports Nutrition

All the information and application knowledge presented here is based on practical experience and research. However, it is non-binding information. We therefore strongly recommend that you carry out your own tests before using our products. This applies in particular to our formulations, which only represent a starting point for individual developments and for which we can provide no guarantee.

The user alone is responsible for testing in the respective countries concerned and with regard to possible conflicting industrial property rights of third parties (e.g. patents). In this respect, we assume no liability for formulations or partial recipes. Our products are sold according to our General Conditions of Sale.

Advertising for dangerous substances

Dangerous substance as per Regulation (EC) No 1272/2008. This substance is classified and assigned in accordance with the requirements of the aforementioned ordinance. For further information on this substance, please refer to the safety data sheet.
