# Milky Youth Serum

Healthy ageing

## **ETERWELL™ YOUTH**

THE holistic solution for healthy ageing skin, acting on the cellular level, efficient on any skin types, ethnicities and for any age, gender. It acts at the root cause of ageing: clearing senescent (zombie) cells.

## **LIPEX® SheaLuxe TR™**

High-quality ester with a similar sensory profile to low-molecular dimethicone in terms of viscosity, spreadability and skin feel.

## **PemuPur™ START polymer**

Unique, naturally derived polymeric emulsifier that offers excellent stabilizing properties and at the same time has a quick-break profile.
