COMMITTED TO OUR VALUES

VISION

To be the partner of choice in the international distribution of specialties and chemicals.

MISSION

Driven by values, knowledge and passion, we always deliver high-quality solutions.

NORDMANN

Knowledge in Action
& We are One

Our brand values

For 111 years, we have been passionate about the raw materials trade, and we constantly endeavor to deliver the highest quality.

Our corporate culture is defined by our values. These values unite us and define our cooperation as a team and with our business partners.

All our subsidiary companies share our vision and are bound by it, without abandoning local flexibility and responsibility in the process.

Visible

Future-oriented

Human and value-driven

Demanding leadership and expertise

Nordmann at a glance

Nordmann is an internationally successful chemical distribution group, with 520 employees and a turnover of 620 million euros. Through our 24 subsidiary companies in Europe, Asia and North America, we distribute natural and chemical raw materials, additives and speciality chemicals. Founded in 1912, we remain an independent, family-run business. Nordmann is part of Georg Nordmann Holding AG.

All the information and application knowledge presented here is based on practical experience and research. However, it is non-binding information. We therefore strongly recommend that you carry out your own tests before using our products. This applies in particular to our formulations, which only represent a starting point for individual developments and for which we can provide no guarantee.

The user alone is responsible for testing in the respective countries concerned and with regard to possible conflicting industrial property rights of third parties (e.g. patents). In this respect, we assume no liability for formulations or partial recipes. Our products are sold according to our General Conditions of Sale.

Advertising for dangerous substances

Dangerous substance as per Regulation (EC) No 1272/2008. This substance is classified and assigned in accordance with the requirements of the aforementioned ordinance. For further information on this substance, please refer to the safety data sheet.
