

Wansuper[®] – POE your impact booster

1-Butene copolymere

1-Octene copolymere

KEY FEATURES

Low densities
(0.868 - 0.885 g/cm³)

Melting temperature range
(34°C - 82°C)

Melt flow index range
(0.5 - 1.0 - 5.0 - 13.5)

Excellent impact properties
at -45°C

Easy processing

100% recyclable and
circularity
