# 360° Eye Cream Pro

A 360° approach on eye contour

## **PROLISTIN**

100% natural-origin peptide that combines anti-inflammation and melanogenesis inhibition benefits. Helps to trap pro-inflammatory-free copper and targets the three main symptoms associated with the eye contour, for a full-circle approach to eye contour care.

## **CAFEISILANE SC**

Combination of silicium and caffeine: visibly reduces eye bags and shows a lifting and firming effect on eye contour.

## **KAFFOIL-R®**

KAFFOIL-R® is a lighter version of KAFFOIL®, in color and smell. Improves skin barrier and supports skin repair.
